THE HISTORIC  
KIEVER SYNAGOGUE

## Cemetery and Memorialization Policies and Prices

1. Rights to a plot will be available for purchase only to members of the Kiever who have been members in good standing for a minimum of 3 years.
2. The plot rights will be sold at \$7500 CDN per plot. As costs rise, this price may increase.
  - 2a. For burial opening/closing costs, the Mount Sinai Cemetery Association collects an additional fee (\$1745, or \$1695 if paid by cheque or Interact; HST included). Mt. Sinai also collects a fee of \$260 for perpetual care. As costs rise, these prices may increase.
  - 2b. Monument costs are as follows: \$100 for a single and \$250 for a double monument (fees set by the Bereavement Authority of Ontario). There is an additional fee of \$400 for a single monument and \$750 for a double (to cover the monument foundation costs). The independent monument company collects these fees at the time a monument is arranged.
3. In order to maintain plot rights the purchaser must continue to be a member in good standing (i.e., paying annual dues). Special consideration for annual dues falls under the bylaws of the Kiever.
4. Holders of plot rights, including those who obtained them before June 2018 are required to be members in good standing through the payment of annual dues.
5. When a plot right is purchased, an interment certificate will be issued to the purchaser stating that a plot right was purchased and indicating the location of the plot.
6. Holders of plot rights, whenever acquired, may not transfer them to anyone else. Holders may offer their plot rights to the Kiever Synagogue, which, if it accepts the offer, will repay the amount of the original price paid by the holder.
7. Memorial plaques to be affixed to the synagogue wall will be available for purchase at \$540 per plaque.
